Recommendations

- ✦ Frequently clean hands by using alcohol-based hand rub or soap and water
- ✦ When coughing and sneezing cover mouth and nose with flexed elbow or tissue and wash hands;
- ✦ Avoid close contact with anyone who has fever and cough
- ✦ The consumption of raw or undercooked animal products should be avoided.
- ✦ If you have fever, cough and difficulty breathing seek medical care early and share previous travel history with your health care provider
- ✦ When visiting live markets in areas currently experiencing cases of novel coronavirus, avoid direct unprotected contact with live animals and surfaces in contact with animals;
- ✦ Cook your food and especially meat thoroughly.
- ✦ Call the UN clinic on telephone number **+251929908433** If you feel unwell and have been in any country reporting local transmission of COVID-19 within the past 14 days
